Papers Submission Deadline

29 February 2008

2008 IEEE 68th Vehicular Technology Conference 22–25 September 2008 Calgary, Canada

The 68th IEEE Vehicular Technology Conference will be held 22–25 September 2008 in the beautiful city of Calgary, Canada: *The Heart of the North West*. The conference will bring together individuals from academia, government, and industry, to discuss and exchange ideas in the fields of wireless and vehicular technology. The conference will feature world-class plenary speakers, tutorials, and technical as well as application sessions.

For more information, visit www.vtc2008fall.org

The technical program committee invites the submission of original, unpublished technical papers in the following areas.

- Ad-hoc & Sensor Networks
- Antennas & Propagation
- Multiple Antenna Systems & Space-Time Processing
- Wireless Networks & Cognitive Radio
- Wireless Systems & Access
- Transmission Technologies
- Mobile Satellite Systems
- Navigation & Positioning Systems
- Transportation
- Vehicular Electronics & Communications

Prospective authors are encouraged to submit a 5-page full paper (or a 2-page extended abstract including results) through the conference web site.
